## REPORTS AND BROADCASTS

### 13.1 Report Requirements

Reports are required at numerous times throughout the conduct of an IFR flight. Each report is required to conform to a structure that provides the relevant information precisely, concisely and in a consistent and logical form.

This section details the content and order required for the various types of reports.

### 13.2 Report and Broadcasts Types

Reports required depend on the stage of flight and the category of airspace and airfield and are detailed in *JEPPESEN, ATC AU700 section*.

### 13.3 Summary of reports and broadcasts:

*[JEPPESEN ATC AU900 Section]*

All aircraft in classes 'A', 'C', 'D' and 'G' airspace and IFR aircraft in class 'E' airspace.
